Master's Degree in Development and International Cooperation Sciences

Class schedule, first semester a.a. 2020/2021

Update date: October 5th, 2020

Dear students,

In this document you will find the lesson timetable of your degree course, divided into First and Second year, with the possible articulation into Curricula.

The different colouring of the cells in each year refers to the possible division of the courses into channels based on the initial of the student's surname (this year, for reasons of COVID security of access to the lessons, it will not be possible to ask for a change of channel), or indicates mutual or optional exams.

The location of the classrooms is available on the last page of the document, and the capacity indicated is the total capacity. The number of places actually available is lower (about half), and determined for each classroom according to Covid security measures.

An asterisk appears next to the name of some professors; these are the winners of the teaching contract notice: they are still in the definition phase, and, following possible cancellations, variations may occur.

TO FOLLOW THE LESSONS IN PRESENCE it is necessary to read carefully what is reported on the link <https://www.uniroma1.it/it/notizia/covid-19-fase-3-lezioni-esami-e-lauree-presenza-e-distanza>, then consult the timetable of the lessons you are interested in; check the classroom, the building code and book you through the PRODIGIT platform, <https://prodigit.uniroma1.it/prenotazioni/prenotaule.nsf/home>, which is managed by the central offices, using the SIRAM code of the classroom and respecting your turn according to your "matricola".

N.B. To enter the PRODIGIT platform you need to enter your Infostud "matricola" and password, and you will be able to follow the lessons at a distance even if you have not completed your registration. For access problems to the platform, unfortunately we can not intervene, but you can report any malfunctions to ciao@uniroma1.it

To FOLLOW THE DISTANCE LESSONS, you will find in this timetable, next to the indication of the classroom, a link (accessible by clicking on LINK MEET) to the Google Meet appointment of each single lesson. By clicking on LINK MEET at the established time, therefore, even if you do not yet have an @studenti.uniroma1.it account, you can take advantage of the lessons of the CoRiS Bachelor and Master's degree courses. I remind you that, from a technical point of view, it is preferable to use the Google Chrome browser. The link will take you to a web page where you can check the functionality of the camera and microphone and select "Ask to participate". Once the teacher has accepted participation via the platform, you will have access to the lesson.

N.B. You can find more information on the Classroom and Meet functionalities, but also Zoom and all the distance learning tools at this address:

<https://www.uniroma1.it/it/pagina/tecnologie-di-facile-utilizzo-supporto-della-didattica-distanza>.

However, I invite you to regularly consult the timetable pages of the CoRiS website, where you will be promptly informed about any lessons suspended or to be recuperated.

Good work to all of you!

The Director of the CoRiS Department

Alberto Marinelli

DEVELOPMENT AND INTERNATIONAL COOPERATION SCIENCES - FIRST YEAR - CURRICULUM POLITICAL, ECONOMIC AND SOCIAL STUDIES
